“ He deserves to be honoured for his great work for the College. I knew him (and his sister Manel) for a long time. Convey my best wishes to him.

If he is to visit Australia, he is most welcome in Sydney. I am sure I will be able to provide him accommodation and take him around. “

“ Nimal,

My sincere congratulations on a wonderful job done for college over 25 years. Moreover you have been a teacher of 33 years of selfless service.

Wesley are fortunate to have old boys like you, and of course in my time playing cricket for college we also had a long term Master in Charge - an old boy - Edmund Dissanayake. I am sure you have beaten his record and done a fantastic job.

I have discovered a photograph of the prefects of 1964 which includes both of us. Shall send a copy to you as it will bring back some great memories. I am so glad that one of the prefects of that year has gone on to make a significant contribution to college.

I salute you. With best wishes and regards. “

“ I am extremely happy about this event. Nimal sir is a wonderful person. He taught us many things and even today I can remember the capital cities of most countries in the world thanks to him. His teaching methods for us in grade 4 in 1976 was excellent.

Nimal Sir is a simple and honourable man who has laid the foundation stone for our achievements. ”

“I fondly remember Mr. Nimal de Silva from my days at Wesley in the '60's and '70's. I had the opportunity to meet him when I was in Sri Lanka in January '05 at a Wesley St. Thomas cricket match in Mt. Lavinia. He was one of the kindest teachers I have ever met.”

“ I have been instructed to reply your email addressed to Rohan, he is very sorry that he can't reply you personally as he is undergoing a surgery in Canada as a Liver donor and this is his second donation, on October 1, 2003 he donated a kidney to a Sri Lankan in Sri Lanka.

He conveys his Greetings and Salutations to Mr. Nimal de Silva and wants to make a donation as soon as he is able to move round. “
